## Trip Planning Tips for Your Houseboat Trip

- Sit down with the group and decide on a meal plan. Download the meal planner to help you prepare.
- Precook as many meals as you can. Spaghetti sauce for example on spaghetti night. Keep meals simple.
- Assign one person to do the food shopping and packing.
- Save on space and share toiletries. Coordinate with your other party members to see who is bringing what.
- Do not over pack, especially with clothes. You'll most likely wear the a few T-Shirts and shorts and a bathing suit.
- Plan to have one captain and two assistant captains. Make sure all three are in on the introduction.
- Freeze as many things as you can - meat, juice boxes, milk etc.
- Make sure you know what's already on the houseboat. Don't carry extra weight carrying items that are already stocked on the boat.
