

PETERBOROUGH CARPING GUIDES

Why carp... well, why not!?

The Common Carp is a highly prized fish species in Europe, and once you hook into one you will understand why. These are some of the hardest fighting fish you can do battle with... HANDS DOWN! Often overlooked here in Ontario, these fish can provide loads of entertainment for all ages. So come experience the Euro-style methods of catching these phenomenal fish on the beautiful Otonabee River in Peterborough, ON. Allow us to put you on some of the biggest, toughest freshwater fish that Ontario has to offer!
